## Exercise and Play Time

Every dog is individually walked four times a day, ensuring personalized attention for every pet! Ask about our extra play times! We have frisbees, tennis balls, play tunnels and small pools to keep your pet entertained and cool in the summer time!

### What to bring:

Favorite toys and food are encouraged but not required. We provide Hills Science Diet food, blankets, treats and toys with the purchase of boarding.

Bowls for food and water also provided.

### What is required:

Rabies and Distemper vaccinations must be current for your pets stay. Call us today to set up an appointment!

If your pet requires any medication or special attention, please let our staff know and we would be happy to accommodate.

### Why Choose Us?

Exceptional medical, surgical, and boarding services from compassionate Doctors and Staff!

- Veterinary supervision
- Frequent walks
- Extra playtimes available
- Large fenced in play area
- Soft blanket and bed for comfort
- Heated and air-conditioned kennel areas

### *We accept:*

Personal Check

We DO NOT accept cash and apologize for any inconvenience this may cause

*“In my nearly 30 years of selling vaccines and pharmaceuticals to veterinarians I have witnessed few clinics (none close to my current location) that I would trust more with our family pet. The entire staff treats her as if they were her owner and that's the way I see their treatment of all the pets I have encountered while at LWAH. Great people giving great care.” -R.B.*
